 - D. To make people fall in love with animals.

D

Sometimes school life is very interesting for children, but sometimes it's hard for them. Then as parents, you can help them to learn.

Sometimes your children may not like reading, so you must help them with their reading. You can keep good books and newspapers(报纸) in the house. Let them see you reading. But how to help them? Take them to visit the library. Let children read to you, and talk about the books with them. What is the book about? What will people in the story do next?

After a day, your children become very weary. They may like watching TV and don't do their homework. Then you should teach them how to use time. How long can they watch TV every day? What time should they get up and go to school? When should they do their homework and go to bed? You must teach them to do the right things at the right time.

Children may think school life is boring. It's time for you to do something. You can talk with your children and listen to them. You can talk with them about their teachers and classmates. Listen to their interesting things or difficult subjects at school. You can also visit the school or talk with their teachers on the phone.

If you can do these things with your children, they will like their school life and they will

do well in their study.

- () 16. Who is the passage written for? (写给谁的)
- A. Children. B. Parents. C. Teachers. D. Classmates.
- () 17. What does the underlined word “weary” mean according to the passage?
